

People-Centered Economy – The Implementers

1 January – 1 July 2021

"We have a unique social market economy. It is the source of our prosperity and social fairness. This is all the more important when we face a twin transition: climate and digital. Valdis Dombrovskis will lead our work to bring together the social and the market in our economy."

— Ursula von der Leyen
President of the European Commission

Executive Vice-President Valdis Dombrovskis will coordinate the work on an Economy that Works for People.
