

People-Centered Economy – The Coordinators

European Parliament
1 February 2020 – H1 2024

David Sassoli

"We have a unique social market economy. It is the source of our prosperity and social fairness. This is all the more important when we face a twin transition: climate and digital. Valdis Dombrovskis will lead our work to bring together the social and the market in our economy."

— Ursula von der Leyen
President of the European Commission
